

Digital Asset Innovation: Use Case and Looking Ahead

February 18, 2026 in Capitol Room 447 at 2:00 p.m.

The Assembly Banking and Finance Committee will convene an informational hearing to receive updates from leading experts on the evolving digital asset industry and California's efforts to promote responsible innovation and implementation. The hearing will explore implementation of unclaimed property law with digital financial assets, and how a digital asset reserve fund could work in California.

Agenda:

- I. Opening remarks by Chair Valencia**
- II. Committee remarks**
- III. Introduction to blockchain in the context of digital financial assets**
- IV. Panel 1: Government Use Case: Unclaimed property**
- V. Questions from the committee**
- VI. Panel 2: Digital Asset Reserve Fund**
- VII. Questions from the committee**
- VIII. Public Comment**
